PROFILE

As a professional cloud administrator (3+ years), I developed a passion for coding (3+ years) during my young career and my initial experience as a helpdesk (2+ years) contributed to making me a versatile IT specialist. looking for a new opportunity, it is with great ease that I will put this versatility at your disposal. I now have 9+ years of experience in the IT field. discreet, humble and always willing to learn to improve myself, I know how to work in a team and integrate into a complex environment.
